

# *Cruise for the Cause*

Sunday 12<sup>th</sup> of June 2022

Route map: 37km = 50 minutes

PLEASE, NO BURN OUTS OR WHEELIES to preserve the event for the future. **Max speed for the cruise 80km** along Stuart Highway to keep the pack together. Keep in mind that old bikes and cars don't have good brakes. Monitor in front and behind you and leave space. Cars and bikes to run mixed in the pack. If you breakdown KQ Autos will pick up rods and bikes. St Johns Ambulance will assist in case of accidents.... we have you covered. Cruise participant's keep going and be courteous to other road users.
